

ServerHandler::run

```
graph LR; A[ServerHandler::run] --> B[ServerHandler::readyRead];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ServerHandler::run'. The right box is gray with a black border and contains the text 'ServerHandler::readyRead'. A blue arrow points from the right side of the first box to the left side of the second box.

ServerHandler::readyRead
